* **For students applying for dual degree with the University of Grenoble Alpes (UGA)**, an additional tuition fee of **150,000 THB** will be charged the semester they get admitted at the UGA. An additional registration fee will be charged by the University of Grenoble Alpes (Approximately 400 Euros / year as of Sept 2018).

** **"An advising fee"** After the 3rd year students who have not completed their Ph.D. will have to pay an advising fee of 30,000 THB per semester (3 semesters per year) until they successfully defend their final dissertation. The "advising fee" includes the university maintenance fee of 10,000 THB per semester. Once students have successfully defended their final defense and are waiting to get their publication published, they will pay only a university maintenance fee of 10,000 THB per semester.

Note: Tuition and fees are subject to change without notice.
